

Fact Sheet

Our mission and aspiration

MISSION

- Relieving the burden of NCDs with trusted, quality medicines for every patient, everywhere.

ASPIRATION

- At Upjohn, we seek to leverage our portfolio, experience and expertise to become the **trusted partner of choice to all stakeholders committed to improving patient health**.
- As Pfizer's first China-based division, we aim to significantly expand access to our high quality medicines.
- Our goal is to treat **225 million new patients by 2025**.

Why it's important

Rising public health impact of non-communicable diseases

A rapidly-expanding global middle class across emerging markets

Policymakers' enhanced focus on quality and affordability worldwide

Who we are

The Upjohn business brings together **20 of the industry's most iconic brands**—products such as *Lipitor*, *Lyricea* and *Viagra*— with **world-class commercial, manufacturing and medical expertise**, underpinned by a **fast, focused and flexible** start-up mindset.
